National NALSA Alumni,

National NALSA would like to encourage all of our Alumni to consider contributing to the continued success of National NALSA by becoming an Alumni Member. The Alumni membership only costs \$10 (but of course we appreciate any additional donation). Last year National NALSA's operating budget was supported primarily through the collection of membership dues. Each year it becomes increasingly difficult for National NALSA to secure the necessary funds to support the events and programming that our student membership have come to rely on. These programs include a Job Fair, Moot Court competition, and Writing competition. The recent economic downturn has severely hampered our fundraising abilities as most of our donors have reduced their charitable donations. Currently National NALSA's financial reserve is running critically low; without an influx of new capital, our ability to continue this year's planned programming may be compromised. As an Alumni Member your dues will contribute directly to these programs and help us ensure that NALSA is doing all that we can to benefit our students.

To encourage Alumni Membership, former National NALSA Executive Board member Ryan Howard has secured a vacation package that we will be raffling off. The package has been generously donated by Fort McDowell Yavapai Nation (www.fortmcdowelldestination.com) and consists of a two night stay and dinner package at their casino resort located in Scottsdale, AZ. The winner must redeem the stay by November 30, 2009. To be eligible for the vacation package Alumni must register and pay dues as an Alumni Member on the National NALSA website by July 31, 2009. The raffle winner will be announced in early August.

Membership dues may be paid at:

http://www.nationalnalsa.org/index.php?option=com_forume&Itemid=99999999&fid=2

Again, we appreciate the continued strong support of our Alumni,

National NALSA Executive Board
